# Ready for bigger plans.

Adventure without compromise. Whether you're towing a caravan or carrying bicycles, our Genuine Accessories are designed for stability, durability and a seamless fit.

**Tow bar, detachable**

Whenever you have substantial cargo in tow, this top-quality corrosion-resistant steel tow bar is ideal for efficient transportation. With the featured 3-ball locking system it can be detached simply, securely and discreetly.

Please consult your dealer regarding the maximum towing load capacity for your vehicle.

GJ281ADE00

# Unlock a fully integrated towing experience for your IONIQ 3.

Guaranteed vehicle integration for seamless towing functionality. Designed specifically for IONIQ 3, this Hyundai Genuine tow bar wiring kit provides a fully integrated connection between the vehicle and compatible trailers or bike carriers. Integrated with the vehicle network and PLEOS operating system, it automatically detects compatible equipment and adapts key driver assistance systems accordingly. The intuitive interface provides connection status, trailer checks, notifications and range information, helping ensure a more confident towing experience.

**Tow bar wiring kit**

Installation uses original vehicle connectors and a multifunctional trailer module. For your safety and comfort, other Advanced Drive Assist Systems of the vehicle are also automatically deactivated when a trailer/bike carrier is connected & detected. Please consult your dealer for all functions of these products.

# A protective layer for all adventures.

Whatever you have planned, your IONIQ 3 is ready to play its part. Thoughtfully designed cargo accessories make it easier to enjoy an active, flexible lifestyle without worrying about dirt, wear and tear.

**Trunk liner extension**
Protect the backs of the folded rear seats when carrying long, rough or potentially damaging items. Designed to match the trunk liner's distinctive pixel pattern, the extension creates a seamless visual connection while also preventing goods from slipping into the gap between the rear seats and trunk.
GJ128ADE00E

**Trunk liner**
Keep your trunk clean and protected with this durable, anti-slip and waterproof liner. Raised edges help contain dirt and moisture, while the textured surface helps prevent loads from moving around. Its distinctive pixel pattern echoes the signature design elements found throughout the IONIQ 3, creating a coordinated look down to the smallest detail.
GJ122ADE00E / GJ122ADE10E

# Versatility when you need it.

From the weekly shop to spontaneous weekend plans, your trunk has to keep up with a changing agenda. Smart accessories help make the space work smoothly from one journey to the next.

**Trunk organizer, foldable**
Perfect for quickly organizing and securing any kind of supplies, folding away flat making room for your next errand. With practical carrying straps and handles for convenient transport outside your car. Branded with Hyundai logo.
99123ADE00

**Trunk mat, reversible**
Enjoy double the protection with two flippable surfaces – high-quality velour on one side, and a resilient dirt-resistant finish on the other – to suit the whole range of different transports life brings with it.
GJ120ADE00E

# Keep every detail at its best.

Give high-contact and exposed areas an extra layer of defence. Discreet protective accessories help preserve the carefully considered finish of your IONIQ 3.

**Display protection film**

Designed for a precise fit, this film provides seamless display coverage and reliable protection against scratches and everyday wear. Its fingerprint-resistant surface helps reduce smudges and keep the screen clean, while the matt finish minimises distracting reflections.
